

YOUR INVITATION TO PARTICIPATE IN HISTORY!

Dear Alumni and Friends:

We invite you to take part in our **Walkway of Fame**, the engraved brick paver program which provides the Hopkins High School Family an opportunity to participate in preserving our heritage for future generations.

The sale of brick pavers will help to support academic scholarships for descendants of students who attended Hopkins High School. At the same time, the engraving of our names, and/or the name of our loved ones on each brick, will offer a touch of immortality. This is a beautiful way to help our alma mater and leave a prominent place in history for ourselves.

Please take this opportunity to connect or re-connect with your alma mater and become a living part of the spirit that is unique to Hopkins High School. Your support of this project is of course tax-deductible.

You have two options for ordering bricks:

OPTION #1: Standard brick with one or two lines of print. COST: \$60

OPTION #2: Standard brick with one or two lines of print AND Eagle logo COST: \$75

Complete the order form below and mail to: Hopkins High School Alumni Foundation
